

Docket: 6338.02

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

First Named Inventor:	Leonard S. Schultz
Appln. No.:	09/673,406
Filed:	October 17, 2000
Title:	Evacuator

**PETITION FOR WITHDRAWAL OF ABANDONMENT**

PCT Legal Administration Services  
Washington D.C. 20231

I hereby certify that this document is being sent via  
facsimile on this 24th day of July, 2001.

Sandra Kennedy  
(Name)

Dear Sir:

The Office is hereby requested to withdraw the abandonment of the above-identified application.

Applicant became concerned that there had been no communication from the Office regarding the application, which was filed October 17, 2000, and inquired about the status of the application. Pursuant to the inquiry, on July 18, 2001 the Office said the application was abandoned and faxed a copy of a Notice of Missing Requirements which shows a mailed date of October 31, 2000.

Applicant is requesting withdrawal of abandonment because the October 31 Notice of Missing Requirements was not received. Normally, papers received from the Office are docketed. For example, a copy of an exemplary (but actual) docket report from an unrelated case is enclosed. Note that the second entry is for a response to a Notice of Missing Parts. Also enclosed is the docket report for the subject application. Note that the only entries are

"Awaiting" entries. If the Notice of Missing Requirements had been received, the report for the subject application would look similar to the exemplary report.

Applicant believes there is sufficient reason for the Office to reconsider and withdraw the abandonment of the present application, and process it for examination. To facilitate processing the application, the Declaration of the inventors and the required copy of the Notification of Missing Requirements are enclosed herewith.

The Office is invited to telephone the undersigned if doing so will be of assistance.

Respectfully submitted,

DORSEY & WHITNEY LLP
